

CaseID: 202045072

Hospital: Contoso HealthCare

Location: Miami

Event Date: 6/6/2015

Event: Slip on substance without fall

Nature: Herniated discs

Final Narrative	Hospitalized	Amputation	Part Of Body	Source
An employee was hospitalized after feeling a tingling sensation in her leg, which was due to a herniated disk in her back. Earlier in her shift, the employee had slipped on some moisture on the floor, but caught herself before falling.	1	0	Back, including spine, spinal cord, unspecified	Floor, n.e.c.
