

CaseID: 202045066

Hospital: Contoso HealthCare

Location: Los Angeles

Event Date: 5/21/2015

Event: Fall on same level, n.e.c.

Nature: Strains

Final Narrative	Hospitalized	Amputation	Part Of Body	Source
An employee slipped/tripped and fell in the concrete parking lot while running to his automobile in the rain at an administrative building. The employee severely strained his right hamstring and sustained an abrasion on his right knee, as well as abrasions on the palms of both hands.	1	0	Thigh(s)	Parking lot-paved
